Jon et al.,

After the ICs approved the 213 yesterday, Steve Henry (281-983-2156) at the Houston Lab called today and verified receipt the 213 for the QwikLite. However, he also indicated that the purchasing process needs more grease...

Needs an EAS purchase request (PR) to be done (can Finance Section do this??)

Carol Tedford (214-665-2216) will fund the request once the EAS PR is done.

Trish Grice sent Steve Henry the ICS 213 form yesterday.

Steve said call him if need more clarification
